

Answers to Use a rule to make a Word Week 8 of blog:

1) frog (long) lend ware (tree) tied
---24 1-3-

2) home (east) cast nest (toes) woes

3) meal (meat) fast when (what) drat

4) Miss (mown) down that (chat) core

5) busy (yell) fell went (take) make

6) lock (peck) dupe whirl (stir) lost

More practice: (answers)

7) mist (dust) used true (b l u/a e) lamb
--34 23-1 --34 23-1

The letters in position 3 could have come from two places.

So we have to reflect that in the second set.

But only one combination makes a word: blue.

8) slug (shut) huts sham (s/m c a/u m) calm
1- 3 - 2 3 4 1 1 -3- 2341

There are two places the S could have come from

And two places the U could have come from

But there is only way combination that makes the word SCAM

9) br e d (bead) lean lord (l r/a n d/t) pant

1 - 24 -23- 1-24 - 23-

We can see a real word LAND

10) bear (near) nice like (h i/e k e) hole

11) shrew (white) hints sharp (p h/a p e r/s) apres
