

Answers

- 1) 5,500.
3,500_____0_____2,000. We started counting from zero when Christ was born, which is why we say 3, 500 BC (before Christ). We have been counting for over 2,000 years since.
- 2) D
- 3) C
- 4) B (the nineteenth century officially began in 1801, the twentieth century in 1901 and so on)
- 5) Military time
- 6) B
- 7) A. (am means midnight to midday, and pm means midday to midnight.)
- 8) 1912
- 9) (only the military adopted it in 1909)
- 10) Britain. Italy in 1893, France 1909/1912, Britain 1915/1918, Denmark 1916.
- 11) Suggested
- 12) Chose
- 13) Portugal
- 14) Quickly
- 15) Factual
- 16) Alliteration (when the first letters of two or more words are the same)
- 17) B (like the Greenwich clock is using an example, not a simile).
