

YORKSHIRE EDUCATION LTD t/a TUTOR DOCTOR YORK

ENVIRONMENT POLICY

Objectives

Tutor Doctor York is committed to minimising the impact of its activities on the environment.

We will operate in compliance with all relevant environmental legislation.

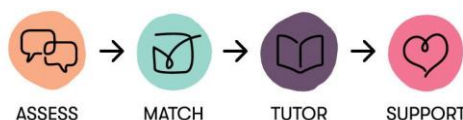

Strategy

To meet our commitments above we will:

- Ensure tutors are matched to students with consideration given to minimising travel distance from the tutor's residence to the tutoring location. This helps to reduce travel-related environmental impact. Where possible, tutors and staff are encouraged to walk, cycle, or use public transport.
- Minimise the use of paper where possible by using electronic forms and digital signatures for contracts and administrative processes.
- Source and promote products that minimise environmental impact. For example, all paper products purchased should be FSC certified or from equivalent sustainable sources.
- Actively promote recycling both internally and amongst customers and tutors through communication, social media, and online content.
- Minimise energy and water usage within business operations in order to conserve resources and reduce environmental impact.
- Integrate environmental considerations into business decision-making and operational activities where practicable.

Responsibility

Responsibility for implementing and monitoring this policy rests with the Director's of Tutor Doctor York.

Monitoring and Review

This policy will be reviewed periodically to ensure continued suitability, effectiveness, and compliance with relevant environmental legislation. Updates will be made where necessary to reflect changes in legislation or business operations.
